## No Fuss, Permanent bonding for everyday applications.

The 3M™ VHB™ Tape RP+ Family is a new permanent bonding solution in the 3M™ VHB™ Tape portfolio that can replace traditional mechanical fasteners in many general purpose applications. This solution is a gray, conformable acrylic adhesive that provides immediate handling strength and long-term strength and durability indoors and outside. When special features aren't required for an application, 3M™ VHB™ Tape RP+ Family can meet many bonding needs — it was designed to be the right product, with the right performance, at the right price for you.

### Features

- Fast and easy-to-use permanent bonding method provides high strength and long-term durability
- Virtually invisible fastening keeps surfaces smooth
- Can replace mechanical fasteners (rivets, welding, screws) or liquid adhesives
- Gray, multi-purpose adhesive and conformable acrylic foam core for good performance in a variety of applications
- Eliminate drilling, grinding, refinishing, screwing, welding and clean-up
- Creates a permanent seal against water, moisture and more
- Pressure sensitive adhesive bonds on contact to provide immediate handling strength
- Allows the use of thinner, lighter weight and dissimilar materials
